

OPTIMUM TECHNOLOGY, INC. BECOMES ORACLE PARTNERNETWORK SPECIALIZED GOLD LEVEL PARTNER

Columbus, Ohio – February 15, 2010 – Optimum Technology, Inc. today announced that it has achieved Gold Partner status in the Oracle PartnerNetwork (OPN) Specialized. By attaining Gold Level membership, Oracle has recognized Optimum Technology, Inc. for its commitment to establish Oracle related in-depth expertise and excellence in delivering law and regulatory enforcement solutions and for uniquely addressing the challenges of joint customers in the public sector.

Optimum has shown a dedication to supporting Oracle technology implementations and focusing on Oracle core technologies for over 20 years in the commercial and public sector markets.

“This is further validation of our technological excellence and further supports our clients mission to deliver best in class business solutions to their constituencies” said Josh M. Davda, President and CEO of Optimum Technology.

As a Gold Level partner in OPN Specialized, Optimum Technology, Inc. has established its commitment to establish depth and breadth of the expertise across key Oracle solution areas.

With its Gold status, Optimum Technology, Inc. receives the benefit of being able to start developing specializations that will allow them to grow their business, increase their expertise, reach higher levels of customer retention, and create differentiation in the marketplace.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through certified Specializations. Specializations are achieved through competency development, business results, expertise and proven success. Specialized partners are preferred by Oracle and recognized by customers.
